Data as of 9/1/2020

Severity of COVID-19 Impact on Practice

1 No Impact 5 Severe Impact

Percent of Practices Experiencing COVID-19 Stressors

Positive Moments

"[W]e have utilized telehealth so well and been able to be agile to still get a lot of patients the care they need across different platforms [portals, doxy.me, amwell/amwell now, phone]"

"We currently are doing more well child exams. So hoping to touch base with more patients. Our school will be starting September 8th so hoping to be able to work with the school with goals of our grant."

"[T]his has encouraged us to open the discussion about coping, family dynamics, stressors more than previous"
