LEISURE TIME

Stowe exudes breathtaking beauty in the winter. Enjoy the slopeside ski in/ski out convenience of the Stowe Mountain Lodge. The best in alpine skiing is found at Stowe's Mt. Mansfield and Spruce Peak complex. Mt. Mansfield is Vermont's highest peak and offers a wide range of terrain for every ability level. It's known for the double-black diamond (most difficult) "Front Four" trails, but also offers some great intermediate cruisers and a lovely group of beginner trails in the Toll House area. Stowe is now Epic and part of Vail Resorts.

Stowe's interconnected cross-country ski centers provide one of the largest, most diverse trail systems in the United States. More than 150km of groomed and 100km of back-country trails criss-cross Stowe's landscape.

A single all-purpose voucher will provide a discount for each person who plans to ski (Nordic or Alpine) or ride, rent equipment, take a lesson and/or participate in any of the children's lesson programs. Only one voucher is needed per person, regardless of how it is to be used.
