

## ABOUT CCRI

We provide adults and children with clinical screening either

**in person at the location of the crisis,**

**in person at a community mental health center,**

**Telehealth  
Communication  
Software,**

in order to de-escalate the crisis and provide linkage to ongoing treatment and other resources.

## HOW IT WORKS

Each call that is received via the CCRI Access Line will be directed to the appropriate triage clinician based on geographical location (region).

South Carolina Department of Mental Health

PMU 1/2016

**Region A: Midlands  
Region B: Upstate  
Region C: Pee-Dee  
Region D: Coastal**

## PROGRAM GOALS

Provide access and link patients to appropriate levels of care and divert from unnecessary hospitalizations and incarcerations.

Build partnerships with local law enforcement, hospitals, judges, community partners, and local mental health providers.

## WHEN IS IT AVAILABLE?

Each region will be phased in.

The local DMH centers are available for services to the community based on their current county of residence.

# THE PURPOSE

To enhance the crisis services array to include a statewide community crisis on-site emergency psychiatric screening and assessment.

## COMMUNITY CRISIS RESPONSE & INTERVENTION

*SC Department of Mental Health*

To provide services **24/7/365** within 60 minutes of contact with the CCRI team to meet the mental health needs of residents of South Carolina.
