

Resources on Prostate Cancer

Websites

MedlinePlus - Prostate Cancer

This website from the National Library of Medicine has links on all aspects of prostate cancer including diagnosis and treatment.

<https://medlineplus.gov/prostatecancer.html>

National Cancer Institute – Prostate Cancer Treatment (PDQ)

Information on treatment from the National Institute of Cancer. There is also a link to the version for healthcare professionals.

<http://www.cancer.gov/types/prostate/patient/prostate-treatment-pdq>

National Center for Complementary and Integrative Health – Cancer: InDepth

This fact sheet provides an introductory overview of complementary health approaches that have been studied for cancer prevention, treatment of the disease, or symptom management, including what the science says about their effectiveness and any concerns that have been raised about their safety.

<https://nccih.nih.gov/health/cancer/complementary-integrative-research>

American Cancer Society – Prostate Cancer

Information on diagnosis, treatment and life after treatment. Also includes information on finding local resources.
