

**Opioid Use Disorder:  
What is Our Role in Building a Humanistic Response?**

Wednesday, February 20, 2019

7:30 AM – 12:00 PM

**Grand Maple Ballroom, Dudley Davis Center**

Activity	Description
<b>Prereading</b>	1 video—Osmosis 14 min—this reviews the pathophysiology of addiction and treatment 1 short reading—summary document on prevalence in US and VT and Statistics on Emergency Room Recovery Coaching Linsenmeir Obituary/del Pozo response
<b>7:30-8:00</b> 30 min	Registration/breakfast
<b>8:00-8:15</b> 15 min	Introduction/housekeeping/icebreaker <i>Martha/Carol</i>
<b>8:15-8:35</b> 20 min	<i>Amy Yanicak, Pharm.D., MPH</i> Overview of the problem (include: social determinants, epidemiology, public health implications) how did we get there, why such a big issue in VT?
<b>8:35-9:15</b> 40 min	<b>“Community” Panel w/Q&amp;A</b> 1. <i>Kim Blake, MD</i> (Howard Center-Safe Recovery, Mother) 2. <i>Jamie Martin</i> (MAT) 3. <i>Liza Ryan</i> (no MAT) 5 mins to prepare questions, then 15 min q and a. <i>Alicia Jacobs, MD to moderate panel</i>
<b>9:15-9:40</b> 25 min	Discussion- Reflect on own experiences and biases, and panel presentation -15 min discuss at table, 10 min discuss in entire group <i>Christina Harlow, DNP to facilitate this discussion</i>
<b>9:40-9:55</b> 15 min	Break

<b>9:55-10:40</b> 45 min	<b>“Intervention” Panel w/Q&amp;A</b> 1. <i>John Brooklyn, MD</i> (Hub and Spokes) - Treatment 2. <i>Cathy Aikman</i> (Turning Point) - Recovery 3. <i>Susan White, APRN</i> —Infants born to opiate addicted women <i>Alicia Jacobs, MD to moderate panel</i>
<b>10:40-11:30</b> 50 min	<b>“Resource” Panel w/Q&amp;A</b> 1. <i>Nicole Sorrell, JD</i> (Vermont CARES)- Harm Reduction 2. <i>Veronica ‘Ronni’ Pearlman</i> (homeless community) 3. <i>Chief Brandon del Pozo</i> (law enforcement) 4. <i>Grace Keller</i> (Safe Recovery/Howard Center) <i>Alicia Jacobs, MD to moderate panel</i>
<b>11:30-11:50</b> 20 min	Activity- how can you engage? Case-based activity.  <i>Martha/Carol to facilitate this activity/discussion</i>
<b>11:50-12:00</b> 10 min	Wrap-up <i>Martha/Carol</i>

Objectives:

1. Describe epidemiology of substance use disorder
2. Define pathophysiology of opioid dependence
3. Appraise one’s own experiences/biases in relation to opioids and people who use them
4. Identify the intersection of social determinants of health and opioid use and misuse
5. Articulate public/population health implications of opioid use (patient, family, friends, employers, community, nation, world)
6. Participate in Interprofessional Education (IPE) activities
7. Describe Medication Assisted Treatment (MAT) model
8. Compare/contrast harm reduction approaches and strategies related to reducing risk for people who use drugs
9. Identify resources for supporting people who use opioids
10. Advocate a human centered approach to care delivery for individuals in relation to opioids
11. Identify language around addiction- (how we document (clinical histories- test questions)
