Gallery

The LCOM Admissions Ambassadors are looking for 2-6 members from each affinity/leadership group to join prospective LCOM students for a special dessert gathering at the Closer Look Day events. We believe that affinity group leaders play a crucial role in fostering a sense of community and inclusivity within our medical school. Your leadership not only enhances the diversity of our student body but also enriches the overall experience for everyone at Larner. By participating in the dessert portion of our Closer Look Day events, you will have the opportunity to connect with prospective students and share valuable insights about the supportive environment that our affinity groups contribute to at Larner. Your presence will provide prospective students with a tangible representation of the diverse and inclusive community that Larner strives to cultivate. Please sign up here!
