

## **Firestone Medical Research Building Construction Notice #4**

*December 18th through January 15<sup>th</sup>*

**Happy Holidays!** A brief update:

1. **PARKING:** The new Jeffords East parking lot (see figure A) will be available for use on or about January 18<sup>th</sup>. The construction perimeter fencing expansion in the Given parking lot (see figure B) will occur on December 21<sup>st</sup>. Therefore, the last day to park in the southern section of the Given lot is December 18<sup>th</sup>.
  
2. **HSRF SOUTH TRANSITIONS TO CONSTRUCTION ZONE:**
  - The kitchenettes, kitchenette lounge areas, and southern-most conference room spaces on levels 1, 2, 3, & 4 will be turned over to the contractor in late January (see figure C). This area will serve as the future hub linking HSRF and the Firestone Medical Research Building.
  - Temporary kitchenette and kitchenette lounge space will be built near the HSRF 200, 300, & 400 conference rooms. New counters, similar to those along the Medical Education Center Concourse, will be installed in the HSRF-Stafford level 2 and 3 bridges.
  - Once the construction barriers have been erected on the south end of levels 1-4, the south stairwells will transition to EMERGENCY EGRESS only. Floor to floor travel should be conducted via the north stairwells or elevators.
