

Direction to Hoehl Gallery:

From Interstate 89, take exit 14W onto Williston Road. Go past the Double Tree Hotel (formerly Sheraton) on the right and then through three sets of traffic lights. Immediately after the third set of lights turn right (this will bring you to the College of Medicine Campus and you will see the water tower).

Proceed past the water tower into the large parking area next to the Given Bldg (square black & glass building with green canopy over door) and the Health Science Research Facility (red brick building) and park in this parking lot. Walk to where the two buildings, (Given & Health Science Research Facility) join (gray stone section with large glass doors). Enter the building through the large glass doors. Go down one flight of stairs or the elevator is on the left – go to 1R. The Hoehl Gallery is the large open space to the left at the bottom of the stairs.
