

## **CVRI is requesting applications for new members for its Early Career Advisory Committee**

### **Committee Goals:**

- Involve Early Career scientists in the activities of the Cardiovascular Research Institute of Vermont
- Reinforce the interest of Early Career scientists at UVM/UVMHC in academic medicine
- Identify and serve the needs of our cardiovascular science Early Career community

### **Eligibility:**

- Early Career scientists: PhD and medical students, postdocs, residents, clinical fellows undertaking research, and faculty within 4 years of their first appointment
- Interest or involvement in cardiovascular-related research

### **Responsibilities:**

- Attend monthly committee meetings and participate in events (~3-5 hours per month)
- Organize and attend networking and career development activities
- Organize and attend journal clubs and other CVRI events

**Term:** 2 years, which may be renewed once by CVRI

---

### **Application Process**

Please submit as one PDF your letter of intent, a recommendation letter from your mentor, and your CV by **March 31** to:

**[CVRI-VT@med.uvm.edu](mailto:CVRI-VT@med.uvm.edu)**
