Recognize how children are different from adults and tailor dermatologic therapies to their psychological and physical needs. Children bring them amidst of new and exciting findings in basic science, clinical dermatology and dermatologic therapy.

EDUCATIONAL OBJECTIVES
1. Recognize how children are different from adults and tailor dermatologic therapies to their psychological and physical needs.
3. Bring yourself up to date with advances in dermatologic surgery and cutaneous oncology.
4. Safely put of Component 2 (periodic self-assessment of MDC (25 questions).)
5. Improve your skills with dermorrhaphy by learning with a leader in the field.
7. Properly identify patients with genetic predispositions and use genetic testing appropriately.
8. Delinate and triage infantile and childhood vascular lesions.
10. Stay abreast of emerging medical therapies in dermatology.

REGISTRATION
Tuition: Physicians $550 (on or before December 14); Nurse Practitioners, Physician Assistants and Pharmacists $450 (on or before December 14); UVM Residents/Fellows $350 (on or before December 14); UVM Medical Center Faculty $250. Tuition covers all course materials, continental breakfasts, breaks and reception.

REFUNDS: Refunds, minus an administrative fee of $75, will be made only if notice of cancellation is received in writing by January 10, 2019. Refunds are not possible after that date.

LEISURE TIME
Stowe exudes breathtaking beauty in the winter. Enjoy the slopeside ski-in/ski-out convenience of the Stowe Mountain Lodge. The best in alpine skiing is found at Stowe’s Mt. Mansfield and Spruce Peak complex. Mt. Mansfield is Vermont’s highest peak and offers a wide range of terrain for every ability level. It’s known for the double-black diamond (most difficult) “Front Four” trails, but is also offers some great intermediate cruisers and a lovely group of beginner trails in the Toll House area. Stowe is now Epic and part of Vail Resorts. The best in alpine skiing is found at Stowe’s Mt. Mansfield and Spruce Peak complex. Mt. Stowe, VT

The University of Vermont designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Application for ACCME Self-Assessment credit (24 MOC Component C credit hour(s) with the American Board of Dermatology, Determination of credit is pending. Application for CME Credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

ACCREDITATION
The University of Vermont designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for ACCME Self-Assessment credit (24 MOC Component C credit hour(s) with the American Board of Dermatology, Determination of credit is pending.

Application for CME Credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Determination of Pharmaceutical Credit is pending.

GUEST FACULTY
H. Sharee Chapman, MD
Associate Professor, Pediatrics, St. Luke’s-Roosevelt Hospital Center
Section Chief, Pediatric Dermatology
Mt. Sinai-Beth Israel Medical Center
Stuart D. Pann, MD
Children’s Hospital at Dartmouth
Dartmouth-Hitchcock Medical Center
Juliana A. Mann, MD, FAAP
Assistant Professor of Dermatology
Pediatric Dermatology Fellowship
Children’s Hospital at Dartmouth
Dartmouth-Hitchcock Medical Center
Children’s Hospital at Dartmouth
Great School of Medicine at Oregon Health

LARNER COLLEGE OF MEDICINE AT THE UNIVERSITY OF VERMONT/
UVM MEDICAL CENTER FACULTY
Melissa R. Bui, MD, PhD
Assistant Professor, Medicine
Division of Dermatology
David K. Chen, MD
Assistant Professor, Medicine
Division of Dermatology
Deborah J. Cook, MD
Assistant Professor, Pathology
Division of Dermatology
Thia O. Friedman, MD
Assistant Professor, Pathology
Division of Dermatology
Laura A. Greene, MD
Assistant Professor, Pediatrics
Division of Dermatology

UVM RESIDENTS/FELLOWS
Dana T. Ahnami, MD
Patrick M. Benson, MD
Alexandre E. Choua,
Corey M. Dewitt, MD
Lucky Ledey, MD

GUIDANCE FACULTY
Ashraf A. Marghoub, MD
Director, Cutaneous Oncology
Memorial Sloan-Kettering Cancer Center
Hauppauge, NY
Katelyn E. Shea, MD
Assistant Professor, Medicine
Division of Dermatology

CONFERENCE SUMMARY

COURSE DESCRIPTION
The course is intended for dermatologists, although primary care physicians with a special interest in dermatology are welcome to attend. The course will feature new and exciting topics for dermatologists, keeping them abreast of new and exciting findings in basic science, clinical dermatology and dermatologic therapy.

EDUCATIONAL OBJECTIVES
1. Recognize how children are different from adults and tailor dermatologic therapies to their psychological and physical needs.
3. Bring yourself up to date with advances in dermatologic surgery and cutaneous oncology.
4. Safely put of Component 2 (periodic self-assessment of MDC (25 questions).)
5. Improve your skills with dermorrhaphy by learning with a leader in the field.
7. Properly identify patients with genetic predispositions and use genetic testing appropriately.
8. Delinate and triage infantile and childhood vascular lesions.
10. Stay abreast of emerging medical therapies in dermatology.

REGISTRATION
Tuition: Physicians $550 (on or before December 14); Nurse Practitioners, Physician Assistants and Pharmacists $450 (on or before December 14); UVM Residents/Fellows $350 (on or before December 14); UVM Medical Center Faculty $250. Tuition covers all course materials, continental breakfasts, breaks and reception.

REFUNDS: Refunds, minus an administrative fee of $75, will be made only if notice of cancellation is received in writing by January 10, 2019. Refunds are not possible after that date.
