

Faculty Gender Equity Liaison (.20 FTE)

In collaboration with the Associate Dean for Diversity & Inclusion and the Associate Dean for Faculty, the role of the Faculty Gender Equity Liaison is to examine and address issues specific to gender equity in faculty advancement and satisfaction as identified in the 2016 Climate Survey.

Key Role Overview:

- Ensures institutional assessment of gender parity, campus climate/culture, salary equity and professional development, and researches factors affecting advancement based on gender;
- Prepares recommendations and collaborative action plans to address assessment findings;
- Identifies opportunities to improve the environment leading to improved promotion and advancement at all levels;
- Recommends professional development, training, and leadership opportunities for faculty and promotes inclusive best practices and models within and across departments.
