

So This Happened: A Comic Confronts Cancer

Presenter: Josie Leavitt

Josie Leavitt is an award-winning stand up comic and storyteller. Her one-woman show, *So This Happened: A Comic Confronts Cancer*, has shown that humor can be found from anything, even breast cancer treatment. In her role as UVMHC Patient/Family Advisor, Josie has spoken to new employees and radiation oncology students, and she can't wait to share her experiences at Grand Rounds.

Patient and Family Experience Grand Rounds

Monday, September 9th

12:00-1:00 pm

Davis Auditorium

ALL ARE WELCOME

We value patients and families and seek their participation in everything we do.
