MEDICAL GROUP

Orthopaedic Hand/Upper Extremity Surgeon

The Department of Orthopaedics and Rehabilitation at the University of Vermont Larner College of Medicine and The University of Vermont Health Network Medical Group, Faculty Practice Division, has initiated a search for a faculty position at the Assistant, Associate, or full Professor level on the Clinical Scholar Pathway.

The Department is seeking to hire an orthopaedic hand/upper extremity surgeon with a commitment to clinical care and medical education. An interest in research is valued. Applicants must be BC/BE and fellowship trained in orthopaedic hand/upper extremity surgery. The Department has a strong history of excellence in both clinical and basic science research. Visit our website at: <http://www.med.uvm.edu/orthopaedics>

The University is especially interested in candidates who can contribute to the diversity and excellence of the academic community through their research, teaching, and/or service. Applicants are requested to include in their cover letter information about how they will further this goal.

The Faculty Practice Division cares for patients at the University of Vermont Medical Center. The Medical Center is the primary teaching hospital for the University of Vermont Larner College of Medicine and is a level I trauma center and the tertiary referral center for the UVM Health Network.

Applications will be accepted until the position is filled. Please apply on-line at <https://www.uvmjobs.com/postings/36996>. Applicants must include a current CV and cover letter addressed to:
