

Rhiannon Chou Wiley

UNIVERSITY HEALTH CENTER
1 SO. PROSPECT STREET
BURLINGTON, VT 05401
(802) 656-1982 | RHIANNON.WILEY@UVM.EDU

EDUCATION

8/2019 – Current **University of Vermont, Burlington, VT**
PhD, Clinical Psychology (Projected May 2025)
Advisor: Stacey Sigmon, PhD

8/2013 – 5/2017 **Tufts University, Medford, MA**
BA, Clinical Psychology and Chinese

TRAINING SUPPORT

8/2019 – Current **Predocotrinal Trainee in Tobacco Regulatory Science U54DA036114**
National Institute on Drug Abuse (NIDA) and U.S. Food and Drug Administration

RESEARCH EXPERIENCE

8/2019 – Current **Vermont Center on Behavior and Health**
University of Vermont Department of Psychiatry
Role: Graduate Research Assistant
Project: *Low Nicotine Content Cigarettes in Vulnerable Populations: Economically Disadvantaged Women, Opioid Use Disorder, Affective Disorders (TCORS NIH/FDA U54DA036114)*
Principal Investigators: Stephen T. Higgins, PhD, Jen Tidey, PhD, Stacey C. Sigmon, PhD, Diann Gaalema, PhD, Allison Kurti, PhD

8/2018 – 7/2019 **Laval University**
Role: Research Consultant
Project: *A systematic review of funding sources in the gambling literature.*
Principle Investigators: Robert Ladouceur, PhD, Alex Blaszczynski, PhD, Howard J. Shaffer, PhD, CAS

6/2017 – 6/2019 **Division on Addiction**
Cambridge Health Alliance, Harvard Medical School
Role: Research Coordinator
Project: *An Evidence-based Approach to Understanding Daily Fantasy Sports Activities*
Principle Investigators: Debi A. LaPlante, PhD, Howard J. Shaffer, PhD, CAS

Role: Research Coordinator
Project: *Clinical Research & Training Collaboration between the Tung Wah Group of Hospitals Integrated Center for Addiction Prevention and Treatment (ICAPT) and the Division on Addiction,*

Cambridge Health Alliance

Principle Investigator: Howard J. Shaffer, PhD, CAS

Role: Research Coordinator

Project: *NARCH VIII—Promoting Cultures of Recovery in Tribal Nations*

Principle Investigators: Debi A. LaPlante, PhD, Heather M. Gray, PhD

Role: Research Coordinator

Project: *A DSM-5 Adaptation of the Computerized Assessment and Referral System (CARS)*

Principle Investigator: Sarah E. Nelson, PhD

Role: Research Coordinator

Project: *A scoping review of the Responsible Drinking literature*

Principle Investigators: Howard J. Shaffer, PhD, Heather M. Gray, PhD

Role: Research Coordinator

Project: *A state by state review of helplines for problem gambling and substance use disorders for the Massachusetts Department of Public Health*

Principle Investigators: Debi A. LaPlante, PhD, Sarah E. Nelson, PhD

Role: Research Coordinator

Project: *Evaluating the impact of responsible gambling initiatives implemented by the Massachusetts Gaming Commission*

Principle Investigators: Debi A. LaPlante, PhD, Heather M. Gray, PhD

Role: Research Coordinator

Project: *A review of gambling disorder and intimate partner violence for the Massachusetts Department of Public Health*

Principle Investigator: Debi A. LaPlante, PhD

9/2016 – 5/2017

Center for Addiction Medicine

Massachusetts General Hospital

Role: Research Intern

Project: *Reduced Nicotine Cigarettes in Smokers With Mood and Anxiety Disorders (P50DA036107)*

Principal Investigators: Jonathan A Foulds, PhD, A. Eden Evins, MD, MPH

11/2015 – 8/2016

Program for Psychotherapy

Cambridge Health Alliance, Harvard Medical School

Role: Research Assistant

Project: *Ongoing study of outcome and process in psychotherapy*

Principle Investigators: Rebecca Drill, PhD, Jack Beinashowitz, PhD

7/2015 – 6/2016

Psychodynamic Research Clinic

Cambridge Health Alliance, Harvard Medical School

Role: Research Assistant

Project: *Study of outcome and process in a psychodynamic training clinic*

Principle Investigators: Kimberlyn Leary, PhD, Adam Conklin, PhD

9/2014 – 5/2015

Cognitive Development Lab

Tufts University

Role: Research Assistant

Project: *Investigating the development of causal reasoning among children aged 6 months to 3*

years

Principal Investigator: Paul Muentener, PhD

TEACHING EXPERIENCE

Course Co-Instructor:

PSYS 198 Independent Research – University of Vermont Fall 2019

OTHER EXPERIENCE

6/2015 – 5/2017 Office of Institutional Research and Evaluation
Tufts University
Role: Research Assistant
Description: I supported university institutional research activities. I prepared reports for university administrators, edited the Tufts University Factbook, and created training materials. My accomplishments include independently developing SPSS syntax for qualitative data coding and designing an alumni-tracking database for the Fletcher School of Law and Diplomacy to identify prominent graduates.

HONORS, AWARDS, MEMBERSHIPS

Summa Cum Laude Tufts University. Spring 2017.

Phi Beta Kappa Honor Society Tufts University. Spring 2016.

Class of 1921 Leonard Carmichael Society Prize Scholarship Tufts University Department of Psychology. Spring 2016.

Dean's List Tufts University. Awarded all semesters from Fall 2013 through Spring 2017.

College on Problems of Drug Dependence Member-in-Training. 12/2019 – Present.

ACADEMIC SERVICE

6/2020 – Present Diversity Committee
Department of Psychological Science, University of Vermont
Role: Founding Member

6/2020 – Present Elevating Voices to Address Racial Stress and Trauma
Department of Psychological Science, University of Vermont
Role: Contributing Editor
http://www.uvm.edu/~crest/?Page=Elevating_Voices.html
