

# *Spirituality & Dementia*

The Memory Program at UVM Medical Center & Center on Aging invite you to a free workshop for faith leaders!

This workshop will help faith leaders foster life-affirming pastoral relationships with persons who have dementia. We will explore how ministry to persons living with dementia is a "holy invitation" to increase our empathy, deepen our capacity to relate, and expand our compassion.

*Presented by Author and Nursing Home Chaplain, Rev. Lynn Casteel Harper. Reverend Harper is also the Associate Minister of Older Adults at The Riverside Church in the City of NY.*

**RSVP by Monday, April 29**
