Subject: Medical Student Financial Services Coordinator Update

****The following is from Student Financial Services and the Office of Medical Student Education****

Dear Medical Students,

We are writing to inform you of an important staffing change to our Medical Student Financial Services (SFS) team within the Office of Medical Student Education (OMSE). As you know, SFS provides a full-time satellite office at the Larner College of Medicine, providing a range of services including financial aid administration, tuition billing/accounts receivable, and student financial wellness support.

Our Medical Student Financial Services Coordinator, Kari Brayden, has accepted another position within the University. Over the next month she will be working to transition our medical student financial services to Ryan Gates, who will assume the Interim Medical Student Financial Services Coordinator role on a full-time basis. Ryan has served as an SFS Counselor in the Waterman Building for several years and has earned a reputation for superior student service and financial aid expertise.

Please join us in thanking Kari for her 7+ years of service on the Medical Student Services Team at OMSE, and welcoming Ryan as he serves in this interim role.

We want to ensure you that we are committed to providing medical student financial services without interruption. For all of your student financial needs, you can reach us by emailing MedSFS@uvm.edu or by calling the Med-SFS phone line at 802-656-9203. More information regarding office hours is forthcoming as UVM's "return to campus" progresses. If you have not already done so, please visit the [Medical Student Financial Services website](#).

With appreciation,

Matt DeSorgher, Associate Director for UVM Student Financial Services
Dr. Lee Rosen, Interim Associate Dean for Students and Director of Student Wellbeing
Marie Johnson, Director of Student Financial Services
Dr. Christa Zehle, Senior Associate Dean for Medical Education
