

CONSTRUCTION NOTICE

Hills Agricultural Science Building

December 13th, 2021

Description of Work:

Hydrant Flush: **Monday December 13, 2021 @ 9:00 am**

Contractors and engineers will be flushing two fire hydrants which are by Rowell, Hills, Given, HSRF and CCRH. Some impacts to neighboring buildings will be mitigated by University Physical Plant. Drainage will be directed to the existing roadway storm drain structures. The flushing duration is anticipated to be less than 30 minutes.

Some localized construction noise and activity impacts will occur and these will be managed as best they can by the contractor.

Areas and Buildings Affected:

Potential for cloudy water may be evident in the following buildings: Stafford, Stafford/Greenhouse, HSRF, Given, Hills, Rowell, Converse, CCRH, STEM, Howe Library and the UVM Medical Center for up to an hour after the flush has been completed.
