Subject: Construction Updates for Campus Rec

What is happening and how it might affect your use of the facilities:

CONSTRUCTION UPDATES

Construction Begins!!!

The much anticipated construction of the multipurpose center (to include the Tarrant Center, renovations to Gutterson Fieldhouse, and the Phyllis "Phiddy" Davis Recreation & Wellness Center) has begun and we are very excited. The complex will receive an upgrade and expansion to UVM's athletic facilities to better accommodate health, fitness, wellness, academic, athletic, events, and related programs. Scope of work will include expansion and upgrade of fitness, recreation, wellness and intramural facilities as well as creation of academic support spaces, upgraded venues for hockey and basketball, including practice facility availability, improved locker rooms, training, meeting spaces and offices.

It's very important to us that we keep you updated on how this construction will affect your use of Campus Rec spaces, as well as those additional spaces around the Athletic Complex. Below is a list of immediate impacts. You can stay current on the project [here](#).

Immediate Impacts to Campus Rec Spaces:

- Monday, June 17
 - **Racquetball Court 4** will be permanently unavailable.
- Friday, June 21
 - **Gutterson 217/Cycling Studio** will be permanently unavailable. **Beginning July 1, cycling classes will be held in Patrick 217.**

- Wednesday, June 26
 - **Racquetball Courts 2 and 3** will be permanently unavailable.
 - **FitZone** and **Forbush Multipurpose** will be permanently unavailable.
- For our racquetball and squash players, **Racquetball Court 1** and both **Squash Courts** will remain open during the project. We highly encourage you to reserve the space [here](#).

Other impacts around the Athletic Campus:

- The parking near the Gutterson North Entrance is NOW permanently unavailable. Parking will remain available in the Gutterson Parking Garage. [ADA parking has been added on the upper level parking area in front of Gutterson.](#)
- **Field 5**, west of Virtue Field, is being used as a construction staging area and not available for use throughout the construction.
- Roads around the Athletic Campus will see increased construction traffic throughout the project. You may experience traffic delays.
