Student Financial Services PSA: Do you have unused/excess loan funds that you want to return for the 2018-19 year?

We have learned federal student loan interest rates are dropping next year by .5% for both the Graduate PLUS loan and unsubsidized Stafford loan:

2018-19 Graduate PLUS: 7.6%

2018-19 Stafford loan: 6.6%

2019-20 Graduate PLUS: 7.07%

2019-20 Stafford loan: 6.07%

If you feel you borrowed more than you needed for the 2018-19 year, it's not too late to return some (under this academic year to minimize the debt attached to the higher 18/19 rate). Simply email MedSFS@uvm.edu **asap** with the amount you'd like to return and Student Financial Services will provide more instruction (but it's really as simple as making a payment on myUVM after you email us!). Bonus: usually we can undo the interest on the amount you return!
