Subject: For the Class of 2020/2021

Sent on behalf of the Department of Surgery:

Brenda Barr will be retiring on June 28, 2019 from the Department of Surgery. Brenda has served as the Student Education Coordinator for the clerkship and senior students for more than 15 years. We are grateful to Brenda for the commitment she has demonstrated to medical student education. We wish her well and much enjoyment in whatever she chooses to do next.

Lisa Beaulieu will be joining the Department of Surgery on June 17, 2019 as the Student Education Coordinator. Lisa has worked in support of medical student education as the Systems & Assessment Coordinator for the Clinical Simulation Laboratory for the last ten years. She brings to the position experience, skill and knowledge that will enable her to quickly become effective in her new role.
