Subject: Medical Student Financial Services amidst COVID-19

Sent on behalf of Medical Student Financial Services (SFS):

Dear Students of the Larner College of Medicine,

As you may have seen in today's Weekly Wire, Medical SFS would like to reassure you that we're still (virtually) here for you and your financial needs. If you have questions or concerns regarding tuition, financial aid, student accounting/billing, financial hardship, etc. - please choose any of the following:

- **Email** MedSFS@uvm.edu or Kari.Brayden@med.uvm.edu
- Leave a **voicemail** on the Medical SFS phone line, which remains **802-656-9203**. Voicemails are checked several times per day. Please keep voicemails brief.
- Request a phone or Zoom/Skype meeting (either by email or voicemail) and we can set up a mutual time!

What if I have paperwork for Medical SFS?

- Please do not utilize my mailbox in OMSE, as it is currently unmonitored
- Please scan/email instead; in the rare instance we need "original wet signature" (rare), I will provide further guidance at that time.

As always, many questions can be answered on our website: www.uvm.edu/sfs

Medical Student Financial Services remains committed to assisting you virtually during the COVID-19 impacts. We will notify you when in-person appointments are available again.

Take care everyone,

Kari Brayden
