Subject: Residency Application Information - FAQ and Timelines
Importance: High

Hello Class of 2021,

As I'm sure you are aware, you may begin submitting residency applications to programs in ERAS starting at 9am on September 1.

Your SEG reps have passed on some questions that have been floating around about the application and submission process and [we have compiled a FAQ based on those questions](#).

Also, I wanted to provide the [NRMP](#) and [ERAS](#) timelines:

- [NRMP Timeline – Detailed Calendar \(PDF\)](#)
- [ERAS Timeline \(PDF\)](#)

If you have questions about things that are not covered in this FAQ, please check out the [ERAS User Guide](#) and the [NRMP FAQ page](#), and if you still have questions feel free to ask!
