Hello Members of the Class of 2024,

We know we’ve been sending you bits and pieces regarding your fall semester, some of which include asks of you and various deadlines. We worked to compile a reference document compiling all task established thus far to help you track some of the more administrative tasks, as you prepare to make Larner your home.

We can’t wait to welcome you home to the Larner College of Medicine on August 10!

Kind regards,
The Orientation Planning Team
