Subject: UVM Larner Med Apparel Order

Hi all,

The UVM Larner Med apparel order is in! You may or may not have received an email from Brendan Andrews, Assistant Director at the UVM Bookstore, depending on your original choice for apparel pickup/shipping. However, since many of you have changed locations due to the transition to remote learning, we want to make sure you all receive this information:

- 1) Local pickup is still available. The bookstore is open to the public M-F 8:00-4:30 until December 11. From December 12-23, the store will remain open for pickup outside the Davis Center using this app: <https://calendly.com/bookstorepickup>. After Dec 23, the Davis Center will be closed for winter break.
- 2) Since we don't know what is in store for the rest of the campus after winter break, we suggest having your apparel order shipped if you are out of town or will not be able to get to the Davis Center by the 23rd. Please contact Brendan at bandrews@uvm.edu to coordinate your order.

We hope you're all staying well!

All our best,
Your Student Council
