Subject: On Behalf of Dean Page and Dean Zehle ~ Luncheon with the Deans

Hello Students,

At a recent meeting, Dean Zehle and I were reflecting on the open forum lunches we used to host before the restrictions for gathering were put in place as a result of the pandemic. We have been missing the connections and the conversations we had with all of you in those smaller settings.

To that end, we will be hosting a virtual lunch from 12:00 – 1:00 pm every other week, inviting three to four members from each class to join us to foster an open dialog about your medical education experiences. You will be selected at random and receive an email invitation. It will be imperative that you RSVP to the invitation within 24 hours. In the event you're unable to attend, for any reason, we would offer your place to another student and put your name back in the rotation for a later date.

The first luncheon will be held on April 2 and you will receive an invitation from Vicki Gilwee. Your RSVP to her will be expected no later than Monday, March 29 to ensure we are able to fill all available slots.

We are looking forward to seeing you all again!

Sincerely,

Richard L. Page, M.D.
Dean
