

PROJECT NOTICE

PAVING OF WALKWAY BETWEEN ROWELL AND HSRF

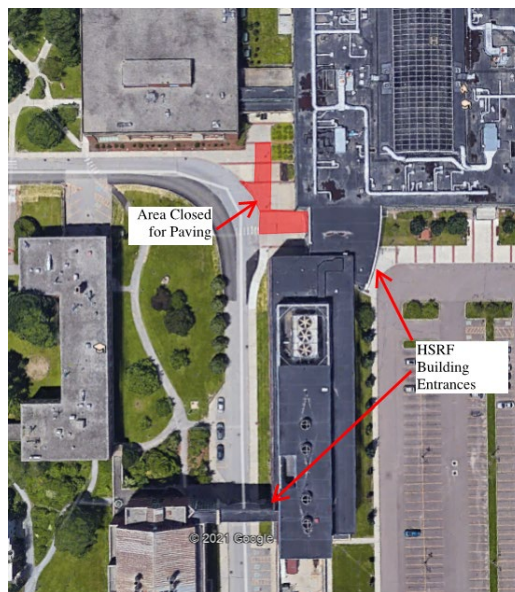

Project Description:

Removal of deteriorated concrete and asphalt patching on the northwest sidewalk adjacent to the HSRF (lower level) and Rowell Building.

Duration of Work: 7/6/2021 – 7/13/2021

What to Expect:

The area in red below will be closed to pedestrian and bicycle traffic. The lower northwest entrance to HSRF will be closed. The Rowell entrance will remain functional, with intermittent closures. Egress from both doors will also remain functional. There will be associated noise from heavy equipment present and additional construction traffic.
