****The following is from Dr. Christa Zehle and Dr. Lee Rosen****

Dear OME,

We are pleased to share that Ryan Gates, who has been working with our Medical Student Service Team for Student Financial Services has accepted the position of Assistant Director of Medical Student Financial Services at OME. Ryan's depth of experience in financial aid and financial services, his clear commitment to exceptional student service and satisfaction and his commitment to building sustainable financial wellness/literacy programming, make him the ideal candidate for this position on our team.

Ryan's focus over the past two months has been on student services and on executing the 1:1 entrance counseling sessions.

We look forward to our continued collaboration with Student Financial Services at UVM. Please join us in welcoming Ryan on a permanent basis to the LCOM's Office of Medical Education.
