

Target Audience	M4s/co2022
Title	Addiction Medicine (Med 2560) - AHEC Scholars- Eligible Activity
Date	11/1/21-11/12/21
Summary	AHEC Scholars Enrollees, Class of 2022: If you have not yet met the requirements to be designated an AHEC Scholar upon graduation, this is an opportunity to do so!
Additional Information	<p>Register NOW: 2-week elective, runs November 1, 2021 to November 12, 2021</p> <p>Join the first Addiction Medicine elective course at LCOM. This 2-week elective is sponsored by AHEC and part of the AHEC Scholars Program. It will be 80% didactics, reading and films, and 20% clinical time. Learn about evidence-based care for people with substance use disorders. Meet community leaders in public health and addiction medicine. See patients in Vermont's hub and spoke opioid use disorder treatment clinics.</p> <p>The elective will be offered from 11/1/21-11/12/21 and again from 4/5/22-4/15/22. There are only 2 seats left for November. Enrollment is on a first-come, first-served basis. This is an exciting, interactive opportunity to hone your skills in addiction medicine and gain experience in the use of medications for opioid use disorder. This elective is relevant to any specialty and future practice and is a last opportunity to meet outstanding AHEC Scholars requirements prior to graduation.</p> <p>To sign up: via OASIS (Med 2560)</p> <p>Contact: Dr. Elly Riser</p> <p>Course faculty - Elly Riser MD, Halle Sobel MD, Charles D. MacLean MD</p>
