Subject: 8 weeks M4 vacation

Dear class of 2022,

Please note that OMSE leadership has approved up to 8 weeks of Advanced Integration vacation for your class, rather than 6 weeks, to offset the M4 coursework many of you enrolled in due to the COVID-19 pandemic. Students are expected to schedule all courses necessary to meet graduation requirements, which may mean not using all 8 weeks of vacation due to individual circumstances (delayed clerkships, leaves of absences, etc.).

Sincerely,

Melissa Long
