

Target Audience	M4s/co2022
Title	New Addiction Medicine Elective (MED-2560)
Dates	11/1/21 - 11/12/21 and 4/4/22 - 4/15/22
Summary	Sign up for the new Addiction Medicine elective. This 2 week elective will be primarily reading/didactic-based with a clinical component that introduces students to Vermont's unique Hub and Spoke model of care.
Additional Information	Learn advanced, evidence-based practices in diagnosing and treating substance use disorders and related medical complications. Leaders in Addiction Medicine and public health will facilitate interactive panels and didactics. Rotate through Vermont's hub and spoke clinics. Understand the opioid epidemic through a public health lens. Learn about career paths in Addiction Medicine.
Submitted by	Elly Riser, Assistant Professor
