Subject: On Behalf of LCOM Facilities Operations Team - Hydrant Flush - November 10, 2021 - 7:00-8:00 AM
Date: Tuesday, November 2, 2021 12:33:59 PM

**Please pass on to affected occupants in the Given, HSRF, Stafford, Hills and Rowell Buildings.
Thank you.**

Affected area: Given, HSRF, and Stafford buildings

Scope of Work: Fire Hydrant flush

Schedule: **Wednesday, November 10, 7:00-8:00 am (HSRF/Given traffic circle)**

Impact: Contractors will be flushing the fire hydrant in the HSRF/Given traffic circle the morning of Wednesday, November 10. Occupants may notice a slight decrease and water pressure and it may cause sediment and/or discoloration to water in the adjacent buildings. If you notice an issue with building water, please flush your line until you see clear water.

For laboratories with glass washers, please flush lines prior to running a wash.

Contact: Todd Merchant, Project Coordinator, todd.merchant@uvm.edu

Thank you for your cooperation as we complete this work.
