

Target Audience	All students
Title	REACQUAINT YOURSELF WITH LIBRARY RESOURCES!
Event Date	on going
Summary	The library has some updates this year!
Additional Information	<ul style="list-style-type: none"> • The library space has some updates this year! More standing desks, more seating near natural light, and zones for noisy vs. quiet work! Check out the new vending machines which you can access 24 hours/day! • A reminder that small group study rooms can be booked on the library website! • Statistical Consults are back! The library has a new data specialist, Maria Sckolnick! You can make appointments with her, attend her drop-in hours, or email her for help with your statistics needs! • On the library website you can use the “ask a librarian” chat function when the library is open to get help from a librarian! You can also use the question mark button to schedule an appointment or to email the reference desk! • Looking to for some anatomical models to study with? Check out what the library has to offer... • Toy Case files available online for clinical students... • Point of care Butterfly ultrasounds are available to rent through the library! You can take them out for 3 days. See the front desk for details.
