Hello Our Lovely Medical Students,

Just a quick update: the Free [UVM COVID-19 Testing Center](#) has moved a little ways down the hallway from the LivingWell Center (old location), but is still located on the first floor of the UVM Davis Center. The Testing Center is now located next to Brennan's Pub.

As a reminder, the testing center is offering more limited slots and times, so please make sure to book your test in advance to your visit to ensure you are able to test. You can book [via the CoVerified App](#). Members of the Class of 2025 are able to attend the testing center prior to matriculation; we will have you in the system by End-of-Day tomorrow!

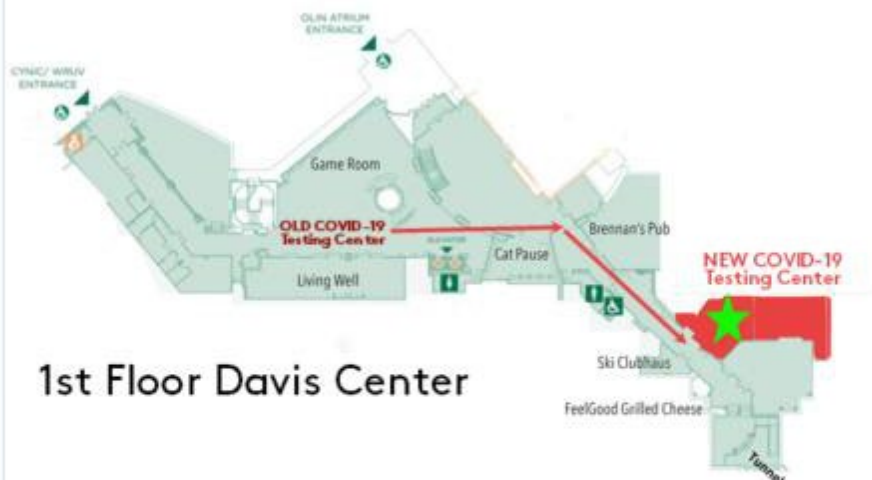

We **encourage all students who travel out of state to complete a COVID-19 test anytime you re-enter Vermont** to help support ongoing community health and well-being.
