Title	Climbing SIG Launch
Summary	Calling all childhood tree climbers - we would like to extend an invitation to join the Climbing SIG! Please complete this brief sign-up form so we can add you to the multi-class GroupMe.
Additional Information	<p>We hope to bring together medical students across classes to create community, promote wellness, and serve as a means of networking for this truly great pastime.</p> <p>Did you know over 15 LCOM students frequent the local climbing gym MetroRock? As the snow melts, come meet people, try something new, learn skills that will make you shine on your next date! But seriously, it's going to be fun and we think you'll love it. This is your SIG too: join the GroupMe and fill out the survey to connect with other climbers and let us know what you want from the SIG. See you on the wall!</p>
