Dear class of 2025,

We wanted to provide you with a brief status update on class UWorld subscriptions: as of today, this order is still being processed by UVM Purchasing; there are also additional administrative steps involved before the purchase is complete and students receive subscriptions from UWorld. We don't yet have a confirmed timeline and will keep the class posted with relevant updates. Thank you for your continued patience.

If you are looking to practice boards-style questions before you receive UWorld, we encourage you to explore/utilize the Step 1 question bank in your Osmosis account, which offers over 3300 boards-style Step 1 questions on pre-clinical knowledge, related disciplines, and organ systems.

Best,

Tim Moynihan, on behalf of the Medical Student Services Team.
