Dear OME colleagues,

I am delighted to welcome our newest employee, Catherine Daniel. Catherine joins us as a temporary employee through a local temp agency and will be assisting the Clerkship team in delivering the Clerkship curriculum. Catherine recently located to VT with her partner after traveling throughout Europe for the past few years. She has a bachelor's degree in business administration from the University of Arkansas. Catherine has prior customer service, data analysis and grant support work experience and is extremely well versed in MS Office Suite.

I am also excited to announce that Janice Lorine will be joining the Dean's Office as our Office of Medical Education (OME) Finance Administrator on July 25, 2022. Janice obtained her BA in Accounting from North Carolina State University. She lives in Waterbury Vermont and is an avid snowboarder, mountain biker and lover of animals. Janice is currently employed as a member service consultant at VSECU, a Vermont Credit Union, and spent much of her career as a senior financial analyst and planner in the music industry in New York City. Janice's office will be in the N-100 Given Courtyard suite, and she will work closely with Caroline Wolf, Kristina Perry, Kristin Bahn, Denise Townsend, and Brian Cote on matters related to OME finances.

Please join me in welcoming Catherine and Janice to our medical education team!

With appreciation,

Christa
