The following is sent on behalf of Christa Zehle, M.D., Senior Associate Dean for Medical Education

Dear OME colleagues,

Please join me in welcoming Matthew DiMasi to the Office of Medical Education. Matthew joins us as a temporary employee through a local temp agency and will be assisting the administrative team in supporting the Office of Medical Education at the front desk. Matthew has an Associate's degree from CCV and obtained his Bachelor's degree from Saint Michael's College in 2017. Mathew has experience working as a customer service representative with Vermont Health Connect, as a call center representative and most recently as a Temporary Housing Benefits Program Specialist for the Vermont Department of Children and Families. We look forward to welcoming Matthew to OME today and appreciate his assistance during this time.

With appreciation,
Christa

I may at times send an email message after/outside work hours based on my schedule. I value your work-life boundaries and rhythm. Please do not feel any pressure to respond outside of your normal work or school hours unless it is convenient for you. Thank you!
