

Submission Form:	
Target Audience	M4s/co2022s Only
Title	request that personal items are NOT to be deposited in the student lounge
When?	April 2022, May 2022
Summary	Please don't leave your books/items in the student lounge!
Additional Information	<p>We know that as you clean and move out of your apartments in preparation for residency, it is tempting to bring unwanted books, flashcards, study aids, etc and leave them in the Student Lounge for other students. But please do NOT do this!</p> <p>Instead consider posting on the class Facebook page or class GroupMe's to find other students that want to accept your used items.</p> <p>We are also working on getting an "up for grabs" spreadsheet up and running for all medical students. Reach out to <a href="#">Gabby Sarriera-Valentin</a> and/or <a href="#">Alex Jenkins</a> with questions.</p> <p>Thank you!</p>
