I am excited to welcome our two newest employees who started today, Amir Sadick and Lisa Wilda!

Amir Sadick has joined the Office of Medical Education as our Medical Student Services Administrative Assistant. Amir received his BS from Michigan State University (Go Spartans!), and just recently completed his Masters of Medical Science degree from UVM. Amir is very passionate about helping his community and has worked throughout his career to support students, including tutoring/coaching and assisting newly arrived refugee students. Amir also speaks 6 languages! Amir's office is the first cube in N-100 behind the front desk, and his responsibilities include supporting the Medical Student Services Team (MSST).

Lisa is joining the Dean's Office HR team as our Office of Medical Education (OME) Human Resources Administrator. Lisa lives in Highgate Center, Vermont and has extensive human resources experience. She received an associate degree in Business from the Community College of VT, a Professional Certificate of Human Resources from Champlain College and is also nearing completion of her Bachelor's Degree! Lisa has over 20 years of experience in banking, management and HR administration from Peoples United Bank and New England Federal Credit Union. Lisa's office is in the N-100 Given Courtyard suite, and she will work closely with Caroline Wolf, Jeanna Page, Karmen Swim and Brian Cote on matters related to OME human resources.

Please join me in welcoming Amir and Lisa and please stop by N-100 to say Hi!
