Hello Residency Applicants:

In case you missed this info in previous communications or in the Weekly Wire, you will need to request a transcript from the UVM Registrar's Office for me to upload to ERAS.

⇒ Log into [myUVM](#) (top right hand corner on [www.uvm.edu](#)), locate Registrar link and [request an official transcript](#).

1. In the "issued to" field enter ERAS c/o AAMC

2. In the "send to email address" field enter Emma.Faustner@med.uvm.edu

If you completed undergrad, continuing education, or other graduate level courses at UVM, those pages will be removed. Only the medical school transcript will be uploaded to ERAS.

If new grades post after your transcript is uploaded, you may request a new version in the same way and I will update it in ERAS for you. Keep in mind that it can take a day or two for the transcript to update after a grade is posted in OASIS. You can check if a grade has posted by viewing your unofficial transcript in the myUVM portal.

A couple of other quick reminders:

- Remember to authorize transmission of your USMLE transcript in ERAS. The one-time fee for this will be on your first invoice after you apply to programs.
- After you register with the [NRMP](#), remember to enter your NRMP ID into ERAS.

Thanks!
