

Target Audience	Incoming Students (co2027),All current medical students (M1s, M2s, M3s, M4s)
Title	Green Mountain Medicine- new episode
Summary	We welcome Dr. Li, an Assistant Professor of Medicine and hospitalist at UVM to discuss healthcare informatics, how implementing an EMR brings us together, and where technology might continue to change healthcare in the coming years.
Additional Information	<p>Green Mountain Medicine is an original podcast series for all things internal medicine, sponsored by ACP Vermont. Hosted by MS4s Sam Schuetz and Aneesh Singal, this podcast deconstructs the topics that impact the field and characterize the practice of medicine. Check out past episodes on Spotify, Apple Podcast & Google Play Music!</p> <p>Check out the most recent podcast, now...</p>
Submitted by	Samantha Schuetz, MS4
