Subject: On Behalf of Dean Page and Senior Associate Dean Brian Cote ~ LCOM Chief Information Officer
Date: Wednesday, April 12, 2023 2:10:19 PM

Dear Larner Community,

It gives us great pleasure to announce that Mr. Steve Goldman has been named the Chief Information Officer for the Larner College of Medicine (LCOM), effective immediately. He will report to Senior Associate Dean for Finance and Administration, Brian Cote, M.B.A.

Mr. Goldman was one of the original architects of LCOM Technology Services, working on the consulting team from Competitive Computing beginning in 1997. He joined the College's Technology Services leadership team in 2009, taking over full responsibility of the LCOM Application and Database environment. Mr. Goldman has been serving as Interim Co-Director for Technology Services since October 2022 with Mr. Gordon White. We also wish to recognize and thank Mr. White for his service over these past few months.

Mr. Goldman has overseen the development of LCOM's educational data warehouse, educational application ecosystem, and integration with data systems at the University, University of Vermont Medical Center, the Association of American Medical Colleges, and other partnerships. He has also overseen the creation of LCOM's research data environment, including responsibility for the stewardship of the University's instance of Vermont's all payer health claims database (VHCURES).

Mr. Goldman has a Master of Science in Information Technology Project Management from George Washington University School of Business and Public Management. Prior to moving to Vermont, he worked with the U.S. Department of Health and Human Services, developing the National Foster Care Analysis and Adoption Reporting System and the National Directory of New Hires for the Child Support Enforcement Office.

Please join us in congratulating Mr. Goldman in his new role.

Sincerely,

Richard L. Page, M.D.
Dean

Brian L. Cote, M.B.A.
Senior Associate Dean for Finance and Administration
