

## CONSTRUCTION NOTICE

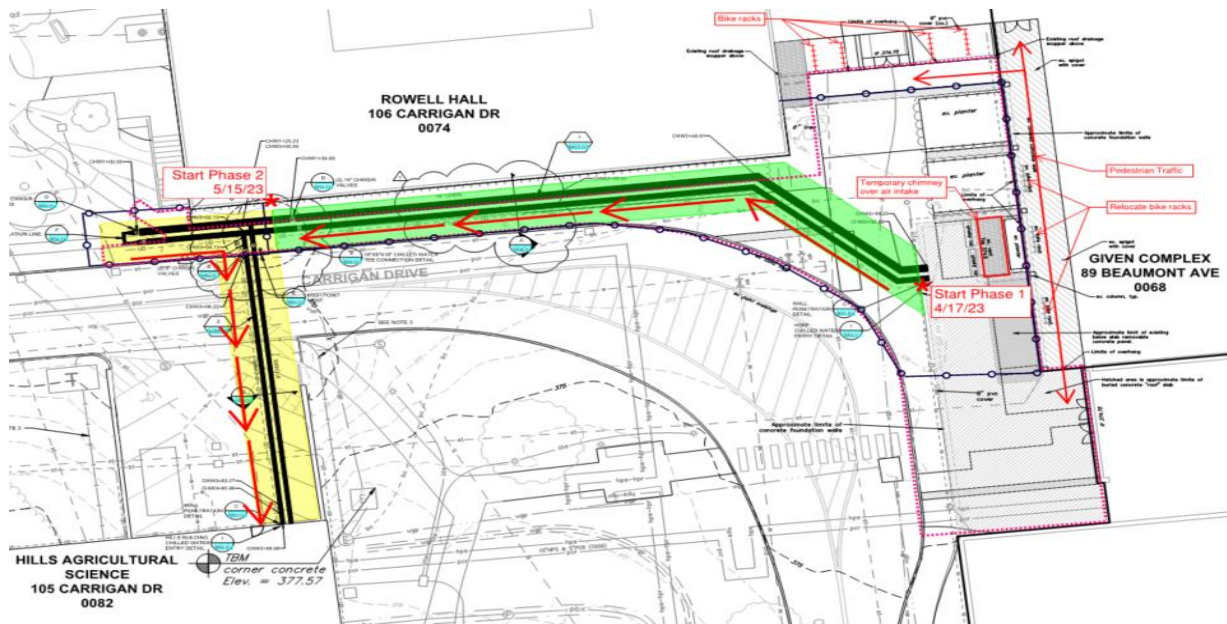

### Hills Renovation Chilled Water Upgrades

April 17, 2023 through early June 2023

#### Description of Work:

The University will be making upgrades to the chilled water system on campus extending to the Hills Building; the work will provide redundancy for the system and set the system up to loop back to the Central Plant in the future. This work will happen in two phases with the first phase at the East and heading West down the sidewalk at the South side of the Rowell Building starting April 17<sup>th</sup>, 2023. The second phase will begin on May 15<sup>th</sup>, 2023, and will include a short closure of vehicle traffic on Carrigan Drive after Commencement.

Some localized construction noise and activity impacts will occur, and these will be managed by the contractor.
