Submission Form:	
Target Audience	All current medical students (M1s, M2s, M3s, M4s)
*Posting Title	Reserving Same Day Study Space
*Event Date, Time, Location	N/A
*Summary ("Hook Sentence")	Steps for Securing an Available Med Ed Room
Additional Information	While students cannot reserve Med Ed rooms for studying multiple days in advance, students can request "same day" room reservations in open Med Ed rooms. For example, if a student arrives on campus and sees a Med Ed Center room is open with a block of unreserved time posted on the door placard, the student can put in a same-day room request (see guide linked below). Once accepted by the Admin team, this would update the room info screen and ensure that the room is booked for you without interruption (unless unexpected curriculum circumstances). Here is the student guide for making a room request:
