**Subject:** Looking for chaperones for natural resource camp July 14-16 / will pay

UVM Extension 4-H in collaboration with the Vermont Fish & Wildlife hosts a [Natural Resources Management Academy](#) for youth entering grades 7-10 every summer.

This year the program will take place Friday, July 14 (arrive at 5 pm) through Sunday, July 16 (leave at 1 pm).

We are looking for a few adults over 21 to chaperone the event.

What does that mean? It means you get to hang out at camp for the weekend, eat good food, learn from some amazing workshop presenters, go canoeing and listen to the loons, sit around a campfire eating s'mores and help look after approx 30 teens.

We can pay a small amount for your time in the form of a gift card. You will need your own transportation to get to the camp which is located in Woodbury, VT.

If you are interested, then please reach out to me as soon as possible.

Please share with others who may be interested in this opportunity. Thanks!
