

Target Audience	Incoming Students (co2026) Only,M1s/co2025 Only,M2s/co2024 Only
*Posting Title	Mentorship Opportunity
*Event Date, Time, Location	Academic Year 2022-23 (tentative)
*Summary ("Hook Sentence")	Interested in mentoring a Vermont high school student? Take a short (1-question) survey to let us know!
Additional Information	<p>This developing program will be an extension of an existing youth mentorship program created by Larner College of Medicine students in collaboration with Vermont Area Health Education Center (AHEC). The program aims to have mentors from multiple UVM health graduate programs including PT, SLP, nursing, and medicine, and to provide mentorship to high school students across the state who are interested in healthcare careers. -A year-long, but not extensive, time commitment; mostly virtual -Mentor high school students from all regions of VT; 1:1 Mentor-Mentee Sessions -Help facilitate health and science modules as well as professional panels -A chance to engage with the community and encourage future professionals! *This survey is not a commitment. We will keep you updated as the program develops. Link to survey: https://qualtrics.uvm.edu/jfe/form/SV_abi7Ry69VqW197E</p>
