

UVM Office of Primary Care and Vermont AHEC Network Program Participant Data Collection Form

AHEC uses this data to report out in aggregates/de-identified only, for our grant funding and requirements for the national AHEC Scholars Program. We must show the demographic makeup of the students we work with as part of the AHEC Scholars program evaluation (e.g., Are we reaching specified target audiences? What are the trends? Etc.). UVM AHEC takes student data, privacy, and confidentiality seriously and have systems and processes in place to ensure privacy and FERPA compliance.

PARTICIPANT NAME:

First Name: _____ Last Name: _____ Former/Other Last Name: _____
 Last four digits SSN: _____ Current Email: _____
 Forever Email (doesn't change based on school or employer): _____
 Mailing Address: House/Apt #: _____ Street: _____
 City: _____ State: _____ Zip: _____ Phone: _____
 Citizenship: U.S. Citizen Permanent Resident Other Country: _____ Current visa type: _____

PARTICIPANT DEMOGRAPHICS:

Year of Birth (XXXX): _____ Gender (required): Male Female Not Listed (please specify) _____
 Veteran Status: Not a veteran National Guard Active duty military Veteran/prior service
 Veteran retired Reservist
 Home Town & State (at time of high school graduation): _____
 Ethnicity (required for AHEC Scholars enrollment): Hispanic or Latino Non-Hispanic/Non-Latino
 Race (required for AHEC Scholars enrollment): check all that apply
 American Indian or Alaska Native Black or African American Asian
 Native Hawaiian or Other Pacific Islander White

PARTICIPANT EDUCATION:

EDUCATION LEVEL	EDUCATION INSTITUTION	STATE	GRAD YEAR (or expected year of completion)
High School			
List Undergraduate Degree & Major:			
List Graduate Degree & Major:			
Health Professions Program: _____ Degree: _____			

Vermont AHEC Scholars Enrollment: AHEC Scholars is a voluntary program for health professions students/residents interested in supplementing their education by gaining additional knowledge and experience in rural and/or underserved settings. This is a longitudinal program with interdisciplinary curricula. Program duration must cover at least two years, with each year including 40-hours of eligible didactic education *and* 40-hours of eligible experiential or clinical training, for a total of 160-hours of eligible activities. VT AHEC offers a “flexible pathways” approach to meet the AHEC Scholars requirements. Only those trainees completing all requirements will be designated as “Vermont AHEC Scholars.”

During my health profession training, I am interested in learning about:

- Interprofessional Education (team-based care delivery, patient-centered care, effective teamwork)
- Behavioral Health Integration (services that better address the needs of individual with mental health and substance use conditions)
- Connecting Communities and Supporting Health Professionals/Community Health Workers (CHWs)
- Virtual Learning and Telehealth (leverage technology to improve curricula and community-based experiential training)
- Social Determinants of Health (economic stability, education, social and community context, health and health care)
- Cultural Competency (recognize and address the unique culture, language and health literacy of diverse consumers and communities)
- Medical Practice Transformation (quality improvement, care coordination, cost containment, rural health care, primary care, care for underserved/disadvantaged populations, patient-centered care)
- Current and Emerging Health Issues (e.g., opioids and substance use disorders, oral health as part of overall health)

Please enroll me in the VT AHEC Scholars Program (to enroll, please check the box and sign below)
