

AMY HUGHES LANSING, Ph.D.

Curriculum Vitae
November 2020

University of Vermont
Department of Psychological Science
John Dewey Hall, Room 332
2 Colchester Avenue, Burlington, VT, 05401
Amy.Hughes.Lansing@uvm.edu

EDUCATION

- Ph.D. Clinical Psychology, Department of Psychology, University of Utah, 2015
Pre-doctoral Internship, Warren Alpert Medical School, Brown University, 2015
M.S. Clinical Psychology, Department of Psychology, University of Utah, 2011
B.S. Psychobiology, Department of Psychology, University of California, Los Angeles, 2007

PROFESSIONAL APPOINTMENTS

- 2020- Assistant Professor, Department of Psychological Science
University of Vermont
2017- 2020 Assistant Professor, Department of Psychology
University of Nevada, Reno
2015- 2017 Postdoctoral Fellow, Center for Technology and Behavioral Health (NIDA P30)
Geisel School of Medicine at Dartmouth College

PUBLICATIONS

**signifies trainee author

Refereed Journal Articles

- **Crochiere, R. J., Lansing, A. H., **Carracher, A., **Vaid, E., & Stanger, C. (in press).
Attentional bias to diabetes cues mediates disease management improvements in a pilot
randomized controlled trial for adolescents with type 1 diabetes. *Journal of Health
Psychology*.

- Lansing, A. H., Huckins, J., Stanger, C. (under review). Individual differences in somatosensory-motor brain regions and glycemic control in adolescents with type 1 diabetes.

AWARDS AND HONORS

- 2018 Senior Scholar Mentor Award, College of Liberal Arts, University of Nevada, Reno
- 2016 Training Award, Optimization of Behavioral and Biobehavioral Interventions, OBSSR
- 2016 Citation Abstract Award, Society of Behavioral Medicine
- 2015 Student Poster Award, Society of Pediatric Psychology
- 2014 Katherine and Ezekiel Dumke Jr. Scholarship, University of Utah
- 2014 Travel Award, Society of Pediatric Psychology
- 2013 Student Poster Award, Society of Pediatric Psychology
- 2012 Research Commendation, Department of Psychology, University of Utah
- 2012 Outstanding Research, Child & Family Health SIG, Society of Behavioral Medicine
- 2007 Magna Cum Laude, B.S. in Psychobiology, University of California, Los Angeles
- 2007 Phi Beta Kappa Honors Society, University of California, Los Angeles

COMPETITIVE RESEARCH SUPPORT

- 2018- 2021 Children's Miracle Network
Role: Co-Investigator (PI: L. Loomba-Albrecht; Co-I: N. Glaser)
Targeting family management skills to improve diabetes management in pediatrics: A pilot online intervention
- 2018- 2020 Altermed Foundation
Role: Co-Principal Investigator (Co-PI: H. Hazlett-Stevens)
Effectiveness of a scalable mindfulness-based stress reduction intervention for adolescents with type 1 diabetes
- 2016- 2017 NIDA, Center for Technology and Behavioral Health (P30), Pilot Core Grant
Role: Principal Investigator (Co-Is: A. Budney, A. Campbell, E. Scherer, C. Stanger)
Real-time passive and ecological momentary assessment of self-regulatory targets in cannabis using youth
- 2016- 2017 NCATS, Dartmouth Clinical and Translational Science Institute (UL1), Pilot Grant
Role: Co-Investigator (PI: C. Stanger)
Targeting neural self-regulation with technology for overweight teens
- 2015-2017 NICHD, DP3 HD076602 Supplement
Role: Senior/Key Personnel (PI: C. Stanger)
Testing a neural and behavioral model of self-regulation in teens with type 1 diabetes.

INVITED TALKS

Lansing, A. H. (2020, January). *Evidence-based pediatric psychology services in school and outpatient settings*. Invited presentation for the Nevada Association of School Psychologists, Reno, NV.

Lansing, A. H. (2018, April). *Preventing adolescent substance use: A social emotion regulation perspective*. Invited presentation at the Center for Technology and Behavioral Health Affiliates Meeting, Dartmouth College, Lebanon, NH.

CONFERENCE ACTIVITY

Symposia Organized

Lansing, A. H. & Berlin, K. (2020, March). *Intensive Longitudinal Data Analyses: A Methodological and Statistical Primer using Type 1 Diabetes as an Exemplar Population*. Symposium presented at the Society of Pediatric Psychology Annual Conference, Dallas, TX.

Berg, C. A. & Hughes, A. E. (2014, March). *Self-Regulation and Chronic Illness Management in Childhood and Adolescence*. Symposium presented at the Society of Pediatric Psychology Annual Conference, Philadelphia, PA.

Papers

Lansing, A. H., **Humiston, T., **Cummings, C., **Cohen, L. (2021, April). *Lower daily sleep quality mediates the association of insecure attachment with daily pain intensity in teens*. Paper to be presented at the Society of Behavioral Medicine Annual Meeting, virtual conference.

Armstrong, B, Lansing, A. H. & Stanger, C. (2020, March). *The role of intensive longitudinal data in understanding the heterogeneity of intervention effects for youth with type 1 diabetes*. In A. H. Lansing & K. Berlin (co-organizers), *Intensive Longitudinal Data Analyses: A Methodological and Statistical Primer using Type 1 Diabetes as an Exemplar Population*. Paper presented at the Society of Pediatric Psychology Annual Conference, Dallas, TX.

**Benjamin, N., Lansing, A. H. & Kaugars, A. (2020, March). *Behavioral automaticity as of moderator of the association between daily problems, daily self-regulation failures, and daily glycemic control in adolescents with type 1 diabetes*. In A. H. Lansing & K. Berlin (co-organizers), *Intensive Longitudinal Data Analyses: A Methodological and Statistical Primer using Type 1 Diabetes as an Exemplar Population*. Paper presented at the Society of Pediatric Psychology Annual Conference, Dallas, TX.

**Cummings, C., Lansing, A. H., & Stanger, C. (2020, March). *Development of a scalable technology-delivered incentive and problem-solving training program to improve glycemic control in adolescents with type 1 diabetes*. In C. E. Goethals (organizer), *Overcoming Challenges in Pediatric Behavioral Diabetes*:

- Interventions from Early Childhood to Young Adulthood. Paper accepted for presentation at the Society of Pediatric Psychology Annual Conference, Dallas, TX. (presentation canceled due to COVID-19)
- **Cohen, L., **Humiston, T., **Prahbu, H., **Cummings, C., **Benjamin, N., Lansing, A. H. *Behavioral automaticity mediates the association between effortful control and adolescent type 1 diabetes management*. Paper presented at the 2020 Society of Behavioral Medicine Annual Meeting, San Francisco, CA. (conference canceled due to COVID-19)
- **Cummings, C., **Prabhu, H., **Benjamin, N. & Lansing, A. H. (2019, May). *Diabetes-specific behavioral automaticity and its association with daily diabetes management and effortful control*. Paper presented at the RiSE Award Symposium at the Association for Psychological Science Annual Convention, Washington, D.C.
- Lansing, A. H., **Tampke, E., Budney, A. & Stanger, C. (2019, May). *Simplified dynamical systems modeling of daily mood in adolescent cannabis use to guide development of individually tailored preventive interventions*. Paper presented at the Society for Prevention Research 27th Annual Meeting, San Francisco, CA.
- Kelly, C. S., Lansing, A. H., Lee, E., Turner, S. L., Wiebe, D. J., & Berg, C. A. (2017, April). *Parental involvement in emerging adults' daily diabetes management*. Paper presented at the 38th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, San Diego, CA.
- Lansing, A. H. & Stanger, C. (2016, April). *Patterns of daily blood glucose during a web-based intervention for adolescents with poorly controlled type 1 diabetes*. Paper presented at the Society of Pediatric Psychology Annual Conference, Atlanta, GA.
- Lansing, A. H. & Stanger, C. (2016, March). *Benefits of web-delivered incentives and working memory training for teens with poor type 1 diabetes control: Emotional control as a moderator*. Paper presented at the Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Washington, D.C.
- Berg, C. A., Hughes, A. E., Wiebe, D. J., Suchy, Y., Turner, S., Butner, J., & Anderson, J. (2014, March). *Disclosure to parents as a regulatory strategy for managing daily self-regulation and adherence*. In C. A., Berg & A. E. Hughes (co-organizers), *Self-Regulation and Chronic Illness Management in Childhood and Adolescence*. Paper presented at the Society of Pediatric Psychology Annual Conference, Philadelphia, PA.
- Hughes, A. E., Berg, C. A., & Wiebe, D. J. (2014, March). *Self-control, daily negative affect, and daily blood glucose control in adolescents with type 1 diabetes*. In C. A., Berg & A. E. Hughes (co-organizers), *Self-Regulation and Chronic Illness Management in Childhood and Adolescence*. Paper presented at the Society of Pediatric Psychology Annual Conference, Philadelphia, PA.
- Berg, C. A., Wiebe, D. J., Suchy, Y. S., Hughes, A. E., Franchow, E., Butner, J., . . . Pihliskari, A. (2013, March). *Perceived regulatory competencies associated with daily adherence in late adolescence*. Paper presented at the Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, San Francisco, CA.
- Hughes, A. E., Berg, C. A., *Rogers, M. A. & Wiebe, D. J. (2012, April). *Falling reactivity and adherence in adolescents with type 1 diabetes*. Paper presented at

the Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, New Orleans, LA.

- Berg, C. A., King, P. S., Osborn, P., Hughes, A. E., Pham, P., & Wiebe, D. J. (2011, October). *Longitudinal declines in parental involvement across adolescence predict low disclosure to parents for adolescents with type 1 diabetes*. Paper presented at the Conference on Emerging Adulthood, Providence, RI.
- Berg, C. A., Wiebe, D. J., Hughes, A. E., & King, P. S. (2011, November). *Daily adolescent diabetes problems and parental affect*. Paper presented at the Gerontology Society of America Annual Scientific Meeting, Boston, MA.

Posters

- **Cummings, C., & Lansing, A.H. (April, 2021). *Daily Associations of Positive Emotion and Physical Health-Related Behaviors and their Interconnections within Adolescent-Caregiver Dyads*. Poster presented at the 2021 annual meeting for Society for Behavioral Medicine, virtual conference.
- **Cummings, C., & Lansing, A.H. (April, 2021). *Greater Illness-Related Fears and Pandemic Life Impact during COVID-19 Predicts Health Behaviors in Adolescence*. Poster presented at the 2021 annual meeting for Society for Behavioral Medicine, virtual conference.
- **Humiston, T., Hazlet-Stevens, H., & Lansing, A. H. (2021, April). *Parental overprotection, interpersonal effectiveness skills, and health provider communication in teens with type 1 diabetes*. Poster accepted for the 2020 Society of Behavioral Medicine Annual Meeting, virtual conference.
- **Cummings, C., Lansing, A. H., & Stanger, C. (2020, November). *Reward Processing, Executive Function, and Physical Activity in a Pilot Text-Delivered Intervention for Obese Adolescents*. Poster accepted for the 2020 annual meeting for Association for Behavioral and Cognitive Therapies, virtual conference.
- **Humiston, T., Lansing, A. H., **Drakulich, M., Stanger, C., & Budney, A. J. (2020, November). *Understanding the role of ADHD, emotion regulation, and sleep in predicting cannabis craving in teens*. Poster submitted for the 2020 annual meeting for Association for Behavioral and Cognitive Therapies, virtual conference.
- **Drakulich, M., Lansing, A.H., **Humiston, T., **Hill, K., Stanger, C., & Budney, A. J. (2020, April). *Decreased daily sleep quality was associated with increased daily cannabis craving in rural adolescent cannabis users*. Poster accepted for the annual meeting for the Society of Behavioral Medicine, San Francisco, C.A. (conference canceled due to COVID-19)
- **Goddard, B., Lansing, A. H., & Stanger, C. (2020, April). *Internalizing and Externalizing Symptoms as Mediators for the association between Cognitive Flexibility on Family Conflict in Adolescents with Type 1 Diabetes*. Poster

- accepted for the annual meeting for the Society of Behavioral Medicine, San Francisco, CA. (conference canceled due to COVID-19)
- **Hill, K., Lansing, A.H. **Humiston, T., **Drakulich, M., Stanger, C., Budney, A. J., Campbell, A., & Wang, W. (2020, April). *Risk factors associated with engagement in passive sensing and EMA among rural adolescent cannabis users*. Poster accepted for the annual meeting for the Society of Behavioral Medicine, San Francisco, C.A. (conference canceled due to COVID-19)
- **Cummings, C., Lansing, A.H., & Stanger, C. (2020, April). *Reward Processing, Executive Function, and Physical Activity in a Pilot Text-Delivered Intervention for Obese Adolescents*. Poster accepted for the 2020 annual meeting for Society for Behavioral Medicine, San Francisco, CA. (conference canceled due to COVID-19)
- **Humiston, T., **Goddard, B., **Cohen, L., **Benjamin, N., & Lansing, A.H. (2020, April). *Anxiety as a mediator in the association between effortful control and adolescent type 1 diabetes-related distress*. Poster accepted for the Society for Behavioral Medicine Annual Conference, San Francisco, CA. (conference canceled due to COVID-19)
- **Cohen, L., Lansing, A. H., & Stanger, C. (2020, March). *Weekly family meetings as a key strategy for reducing family conflict in adolescents with type 1 diabetes*. Poster accepted for the Society of Pediatric Psychology Annual Conference, Dallas, TX. (presentation canceled due to COVID-19)
- **Humiston, T., Lansing, A. H., & Stanger, C. (2020, March). *ADHD symptoms and burdensomeness of diabetes management for adolescents with type 1 diabetes: Emotional control as a mediator*. Poster accepted for the Society of Pediatric Psychology Annual Conference, Dallas, TX.
- **Cummings, C., Lansing, A. H., Stanger, C., & Budney, A. (2019, November). *The synergistic role of daily arousal and positive emotion in predicting cannabis craving in adolescence*. Poster presentation at the Association for Behavioral and Cognitive Therapies Annual Conference, Atlanta, GA.
