Drop-in Support Groups Available

The Department of Psychological Services is offering daily zoom meetings for staff, providers and leaders who are caring for critically ill patients. These sessions are intended to provide front line staff with emotional support and opportunities to process their experiences. Currently, the following days and times are open to meet with Psychological Services staff members:

To join any of the above meetings, contact the providers via email to request an invitation or simply click on the link corresponding to the meeting you want to join. **If prompted for a password, enter MedPsych. Any team that would like support is welcome to schedule a focused group session** by contacting Dr. [Marlene Maron](#).
