

Step 1 Study Schedules/Panelists Needed

A call for M3's and M4's with advice for M2's on constructing an effective dedicated Step 1 study schedule or simply sharing your schedule.

We're looking for sample schedules, as well as your perspective on building a Step 1 study schedule during the dedicated weeks.

On [11/19 \(12pm-12:50pm\)](#) the Step 1 Support Series will offer a remote session with advice, tips, experience, lessons learned, and general approaches on structuring USMLE prep time during the dedicated period.
